INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Board of Trustees
Village of Lemont, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the Village of Lemont Downtown Tax Increment Financing Fund as of and for the year ended April 30, 2018, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Village of Lemont Downtown Tax Increment Financing Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Village of Lemont Downtown Tax Increment Financing Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Honorable Mayor and Board of Trustees
Village of Lemont

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Village of Lemont Downtown Tax Increment Financing Fund as of April 30, 2018, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Village of Lemont Downtown Tax Increment Financing Fund and do not purport to, and do not, present fairly the financial position of the Village of Lemont, as of April 30, 2018, and the changes in financial position, or cash flows, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

Required Supplementary Information

Management has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the financial statements. Such missing information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. Our opinion on the financial statements is not affected by this missing information.

Report on Other Legal and Regulatory Requirements

We have also issued a report dated October 18, 2018, on our consideration of the Village of Lemont Downtown Tax Increment Financing Fund's compliance with laws, regulations, contracts, and grants.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE

The Honorable Mayor and Board of Trustees
Village of Lemont, Illinois

We have audited the financial statements of the Village of Lemont Downtown Tax Increment Financing Fund, as of and for the year ended April 30, 2018 and have issued our report thereon dated October 18, 2018. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

In connection with our audit, nothing came to our attention that caused us to believe that the Village of Lemont failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing", insofar as it relates to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Village of Lemont's noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the Board of Trustees, management, the State of Illinois, and others within the Village of Lemont and is not intended to be, and should not be, used by anyone other than the specified parties.

VILLAGE OF LEMONT
DOWNTOWN TAX INCREMENT FINANCING FUND
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED APRIL 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Downtown Tax Increment Financing Fund of the Village of Lemont, Illinois (the Village), have been prepared in conformity with accounting principles generally accepted in the United States of America, as applied to government units (hereinafter referred to as generally accepted accounting principles (GAAP)). The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

Reporting Entity

The financial statements present only the Downtown Tax Increment Financing Fund, a fund of the Village of Lemont. They do not purport to, and do not, present fairly, the financial position of the Village of Lemont.

Fund Accounting

Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts.

Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds are accounted for using a current financial resources measurement focus. With the measurement focus, only current assets, deferred outflows of resources, current liabilities, and deferred inflows of resources generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in current assets.

The modified accrual basis of accounting is used by all governmental fund types. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period. For this purpose, the Village considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. The Village recognizes property taxes when they become both measurable and available and for the period intended to finance. Expenditures are recorded when the related fund liability is incurred.

The revenues susceptible to accrual are property taxes and investment income.

VILLAGE OF LEMONT
DOWNTOWN TAX INCREMENT FINANCING FUND
NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED APRIL 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fund Balance

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, or unassigned. Nonspendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by enabling legislation or an outside party. Committed fund balance is a limitation imposed by the Village board through approval of resolutions. Assigned fund balances is a limitation imposed by a designee of the Village board. The Downtown Tax Increment Financing Fund does not report any assigned fund balances. A negative unassigned fund balance represents excess expenditures incurred over the amounts restricted, committed, or assigned to those purposes.

When both restricted and unrestricted fund balances are available for use, it is the Village's policy to use restricted fund balance first, then unrestricted fund balance. Furthermore, committed fund balances are reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

NOTE 2 – CASH AND INVESTMENTS

Permitted Deposits and Investments

The Village's investment policy authorizes the Village to invest in all investments allowed by Illinois Compiled Statutes. These include deposits/investments in insured commercial banks, savings and loan institutions, obligations of the U.S. Treasury and U.S. Agencies, insured credit union shares, money market mutual funds with portfolios of securities issued or guaranteed by the United States or agreements to repurchase these same obligations, repurchase agreements, short-term commercial paper rated within the three highest classifications by at least two standard rating services, and Illinois Funds (created by the Illinois State Legislature under the control of the State Comptroller that maintains a \$1 per share value which is equal to the participants fair value).

It is the policy of the Village to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the Village and conforming to all state and local statutes governing the investment of public funds, using the "prudent person" standard for managing the overall portfolio. The primary objectives of the policy are, in order of priority, legality, safety, liquidity, and yield.

At April 30, 2018, the total cash and investments of the Fund was \$0.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE

The Honorable Mayor and Board of Trustees
