Division of Highways / Region 1 / District 1
201 West Center Court / Schaumburg, Illinois 60196-1096

January 4, 2019

Clayton M. Shipley, P.E.
Vice President
Knight Engineers and Architects, Inc.
631 East Boughton Road
Suite 205
Bolingbrook, IL 60440-2992

Dear Mr. Shipley:

Thank you for your letter dated December 13, 2018 requesting consideration of a jurisdictional transfer of Old Archer Avenue from the Illinois Department of Transportation (Department) to the Village of Lemont.

The Department is in favor of this transfer from IDOT to the Village. Coordination of the transfer documents should be done through the Department's Bureau Chief of Local Roads.

If you have any questions or need additional information, please contact Jim Stumpner, Bureau Chief of Maintenance, at (847) 705-4162.

Very truly yours,

Anthony J. Quigley, P.E.
Region One Engineer

Re: Request for Jurisdictional Transfer
Old Archer Avenue (Archer Bell Avenue)
NW Quadrant IL 83/171 and Main Street
Village of Lemont

Dear Mr. Quigley,

On behalf of the Village of Lemont, we respectfully request review and consideration for jurisdictional transfer of the area shown on the attached Excess Parcel Exhibit as Old Archer Avenue (Archer Bell Avenue). It is our understanding that this right-of-way is currently owned by the Village and under IDOT jurisdiction. Attached for reference is the Excess Parcel Plat prepared by the Bureau of Land Acquisition defining the parcel (0ZZ1157) currently owned by IDOT. The plat also identifies the limits of the requested jurisdictional transfer.

We are available to provide the required jurisdictional transfer formwork and draft ordinance at your request.

Thank you in advance for your assistance. If you have any questions, please do not hesitate to contact me at (708) 342-1266 or cshipley@knightea.com.

Sincerely,

Clayton M. Shipley, P.E.
Vice President

Cc: Mike Cullian, District 1 Bureau of Land Acquisition
George Schafer, Lemont Village Administrator
