***Haunted Canal Hay Ride Volunteer Meeting- Tuesday Aug 28<sup>th</sup> 6pm at Gelsosomo's -***

***Seeking persons/groups/businesses/teams*** who would like to "own" a section of a one mile loop to haunt for four nights in October. We have brainstormed some great ideas:

clowns, spider webs, zombie rising, ghouls and ghosts that escaped Haunted Central, etc.

*If you can commit* to creating this new event that will benefit School District 113A Foundation, Hope and Friendship Foundation, and bring people to our downtown Lemont, then please join me on

Monday August 13<sup>th</sup> at 6pm at Gelsosomo's Pizzeria 206 Main St, Lemont.

*if you can not attend Monday's meeting but want to be a part of the event* then please email me:

We will need at least 125 volunteers for each of the 4 nights to make this a safe, successful, incredibly fun and of course hauntingly good time.

We need volunteers that will: provide the haunts for the mile ride; Hay Ride Wagon guides; security; managing waiting riders at the Safety Village; ticket sales; sponsor drive; set up/clean up help.
